

Self-Wash & Grooming

Boarding Information and Waiver Form

Owner Name: _____

Arrival Date: _____

Address: _____

Check-Out Date: _____

City: _____ State _____ : Zip: _____

Release of Liability

_____ initials

I hereby consent and authorize Fur Baby Self-Wash and Grooming LLC to receive and board my pet(s). I understand they will use all reasonable precautions for the safekeeping of the described pet(s), but they will not be held responsible in any manner whatsoever on account of medical situations that may arise, as it is thoroughly understood that I assume all risks. I also understand that personnel are not present continuously after normal business hours.

Vaccinations

_____ initials

I further understand Fur Baby Self-Wash and Grooming LLC policy stating that all vaccinations must be up to date at the time of boarding. This includes distemper and rabies for cats and distemper, bordetella (kennel cough) and rabies for dogs. These vaccination requirements reduce the risk to both the salon employees and the boarding pets

Special Diet

_____ initials

If my pet requires special or prescription food, it will be my responsibility to provide such food during my pet's stay. If I do not bring it with me and Fur Baby Self-Wash and Grooming LLC has to supply it, I understand that I will be charged accordingly. If no special diet requirements exist, all boarded pets will receive a high quality maintenance type diet.

Upper Respiratory Infection

_____ initials

I know my pet is healthy and not coughing, gagging or sneezing and is free of nasal discharge associated with infection. I also know my pet has not been around any other pet who was showing these symptoms in the last 2 weeks. I understand that Fur Baby Self-Wash and Grooming LLC takes the utmost care in cleaning and disinfecting their facility. Therefore, the salon reserves the right to refuse patients who are coughing or showing signs of upper respiratory infection from being boarded, groomed or dropped off for treatment.

Bathing/Flea Control

_____ initials

Finally, I understand that all dogs boarding go outside in the exercise area. The dogs become dirty and smelly by playing out there. We recommend a bath on the day the dog goes home. This will be done at my expense, (unless declined by me.) Dogs infested with fleas at the time of check-in will be given a Flea and Tick bath at my expense.

Obligation

____ initials

Balances for boarding, bathing and any necessary treatments or food are to be paid when pets check out.

Boarding Animals Together

____ initials

Fur Baby Self-Wash and Grooming LLC does not recommend boarding family pets together because: 1. If one of the pets vomits, isn't eating, or is having bowel problems, it is difficult to ascertain which pet is ill. 2. Boarding can be stressful to some animals and can cause pets to fight while in the same kennel -- even though they might not fight at home. I understand, as owner of the pets named below, the reasons that Fur Baby Self-Wash and Grooming LLC does not recommend that pets be boarded together. However, I prefer my pets be boarded together in the same compartment (cat cage, dog cage or run) and release Fur Baby Self-Wash and Grooming LLC from any liability that may result from that decision.
